

HOW TO BUY FTV COINS DELUXE

To buy your FTV Coins Deluxe, please follow the instructions below:

- STEP 1:** Click on the button to download the Token-Purchase-Agreement.
- STEP 2:** Open the Token-Purchase-Agreement and complete all your personal or company data, purchase amount of FTV Coins Deluxe, payment method and delivery address for FTV Coins Deluxe and sign the Agreement.
- STEP 3:** Send the completed and signed Token-Purchase-Agreement to deluxe@ftv.com.
- STEP 4:** FTV will stamp and countersign the Agreement.
- STEP 5:** FTV will send the signed copy via email to you and request payment for the FTV Coins Deluxe, if payment is not already made.
- STEP 5:** On receipt of the payment, FTV will confirm that the agreement has become valid.
- STEP 6:** FTV will deliver the FTV Coins Deluxe to you.

Please keep in mind that you will not be able to view the FTV Coin Deluxe Tokens in your wallet right after your contribution. The FTV Coin Deluxe Token will show up in your wallet upon the completion of the public sale event. When the time nears, we will send out instructions on how to view your FTV Coin Deluxe Tokens in your Ethereum wallet.

To receive the FTV Coin Deluxe Tokens, you need a wallet app where you hold the private keys. Private keys are needed to correctly interact with smart contract functions, like transferring tokens. The following wallets are known to be compatible with Ethereum tokens (ERC-20 standard): MyEtherWallet, MetaMask, Mist, Parity, imToken, Trust, Cipher. We are not endorsing the use of any particular wallet software.
